Dear St. Mary's Families,

We are very excited to be joining your community and offering Music lessons to your children.

Mr. Michael Dee, Ms. Charlotte Hayes and Mr. Peter Keller will be your teachers this year. Mr. Dee will be teaching band to students in grades 3-8. Ms. Hayes will be teaching string instruments and lessons are available for students in grade K-8. Mr. Keller will be teaching guitar for grades 3-8. Piano lessons are also available for all students in grades K-8.

Our programs are centered about instilling a love of music in our students, while helping them learn the skills needed to perform at their best. The cost to enroll is a \$25.00 registration fee, and then \$80.00 a month for small group instruction. If you would prefer a one on one lesson, the rate is \$125.00 per month. We also offer a \$15.00/month discount for siblings. There is no additional fee for any ensemble practices.

We do not sell or rent instruments. Band and Orchestra instruments can be gotten through John Keal Music in Albany ([www.myjohnkeal.com](http://www.myjohnkeal.com)). You can do their paperwork online, and the instrument will be delivered to the school! They do not rent or sell guitars, or pianos. For Guitars, we usually send students to Guitar Center on Wolf Road as they can help make sure you get the right size instrument and they sell very affordable guitars. For pianos/keyboards there are many options...please let us know if you are looking and we can help guide you.

We will be starting in October, but enrollment is open throughout the year. If you are interested in registering, please pick up the paperwork from the Office, or email us at [manager@cadyschool.org](mailto:manager@cadyschool.org) and we will be happy to send it you over email.

We are so looking forward to making GREAT music this year!

Musically,,

Bryan Cady, Owner
